Title and Salvage History

Premium

Provides title, junk and salvage history, plus theft and lien/import/export records

Limited-Time Discount: **33% Off**

Protect Yourself from Title Problems

As an iVIN Report subscriber, you can uncover title, junk, and salvage issues at an exclusive 33% off.
The Title and Salvage History Report, normally $8.95, is available to you for just **$5.95**. You'll get access to official records for the vehicle's title issue history, junk and salvage history, and results of multiple title issue checks that will help you identify potential problems and whether this vehicle is safe or has been misrepresented by the seller. The title history information is sourced from all of the data reported to NMVTIS, the U.S. government system designed to protect consumers from fraud, unsafe vehicles and buying stolen vehicles. See a sample.

TITLE RECORD INFORMATION

- Current state of title
- Last title date
- Vehicle Identification Number (VIN)
- Other states vehicle was titled in
- Dates titles were issued
- Vehicle mileage when the title was issued, if available

BRAND HISTORY INFORMATION

- Type of damage reported
- Date the vehicle was obtained or the damage was reported
- Name and contact info of company who reported damage
- The vehicle's current status
- Whether the vehicle was labeled for export to another country

SALVAGE HISTORY RECORDS

- Checks for salvage, rebuilt, flood junk and major title issues
- Comprehensive record checks for other potential title issues
- Which title checks were found with no problems
- Date and state or company who applied the title record, when an issue is found

Safety Ratings

National Highway Traffic Safety Administration (NHTSA) crash test scores

NHTSA 5-Star Safety Ratings

The National Highway Traffic Safety Administration (NHTSA) conducts unbiased crash tests of new vehicles to determine how safe they are. The more stars, the safer a vehicle is.

5 ★★★★★
OVERALL SAFETY RATING

OVERALL FRONTAL CRASH ★★★★★

Frontal Barrier Ratings

DRIVER SIDE ★★★★★

PASSENGER SIDE ★★★★★

The frontal barrier test simulates a head-on collision between two similar vehicles. The test vehicle is crashed into a flat, rigid barrier at 35 mph.

OVERALL SIDE CRASH ★★★★★

Side Barrier Ratings

DRIVER SIDE ★★★★★

PASSENGER SIDE ★★★★★

The side barrier test simulates an intersection collision between two vehicles. A moving non-rigid barrier, angled at 27 degrees.

SIDE POLE STAR RATING ★★★★★

The side pole test simulates a vehicle colliding into a fixed object like a tree or utility pole. The test vehicle, angled at 75 degrees, is crashed into a rigid pole at 20 mph.

ROLLOVER RESISTANCE ★★★★☆

The rollover resistance test measures the risk of rollover in a single-vehicle, loss-of-control scenario.

Mileage Analysis

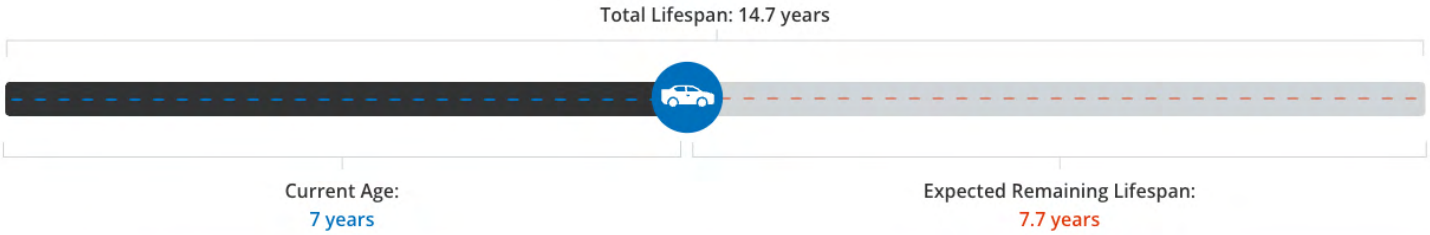
How much has this vehicle been driven vs. similar cars?

Mileage:	79,609 miles
Estimated miles driven per year:	10,272 miles vs 10,690 miles for the average 2018 Acura MDX

Vehicle Lifespan Analysis

How many more years or miles will this vehicle last based on typical usage?

This vehicle can be driven for about **7.7 more years** or **99,357 more miles**, based on its current age and mileage, and iSeeCars' predicted total lifespan of **14.7 years.**



Current Age / Miles 7 years / 79,609 miles	This vehicle is about **7 years old** and has **79,609 miles** on its odometer.
Predicted Total Lifespan 14.7 years / 178,966 miles	This vehicle is expected to last a total of **14.7 years**, or **178,966 miles**, based on iSeeCars' proprietary lifespan analysis.
Expected Remaining Lifespan 7.7 years / 99,357 miles	Based on its current age and total lifespan, this vehicle is expected to last about **7.7 more years**, or **99,357 more miles** with typical use.
Purchase Cost per Remaining Year $2,740 per year	If you decide to buy (or keep) this vehicle, the estimated purchase cost for each year of its remaining lifespan is **$2,740 per year**. This figure helps you compare the vehicle's annual purchase cost versus similar vehicles.
